

A Webinar on

"Skill up with Expertrons: Get the job
you want"
in collaboration with Expertrons (Inspire
Success)
By
Training, Placement and Career Guidance
Cell 21-22

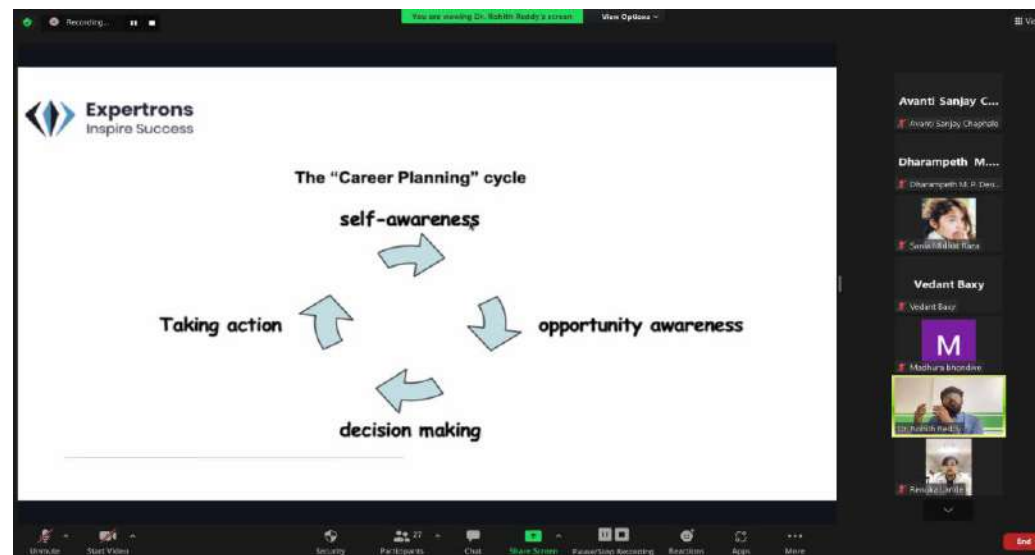

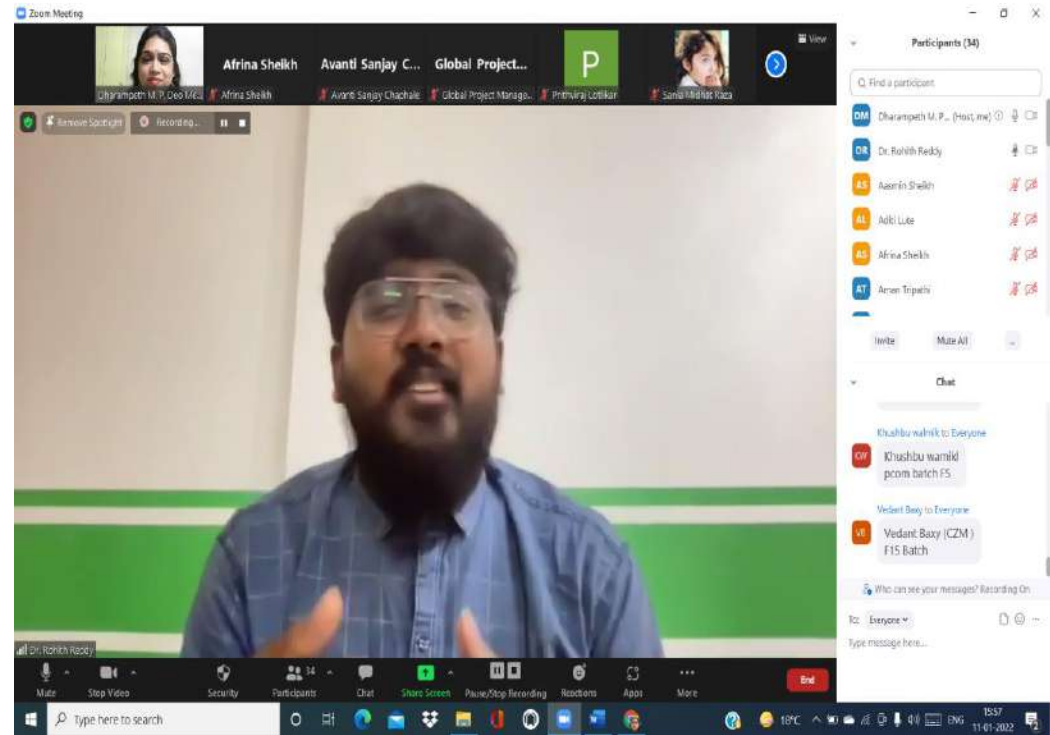

on
11th January 2022.

A Webinar on "Skill up with Expertrons: Get the job you want" in collaboration with Expertrons (Inspire Success) was conducted by Training, Placement and Career Guidance Cell 21-22 on 11th January 2022.

The Speaker was Dr Rohith Reddy, Head on The Department Expertron. He had Doctorate in Organisational Leadership, Member of WHRPC, received certifications from IIBA, PMI, HRCI, SHRM and also a National Geography Certified Trainer. He commenced with discussion on career planning, cycle Key Points like Self-awareness, Opportunity awareness, Decision Making, and Taking action. He interacted with students on personal opinions through SWOT analysis.

This webinar helped students to know how to get job opportunities after graduations. He also emphasised that there are many jobs in India but still unemployability remains a big problem. He also mentioned career road for students that included communication & soft skill, branding, guidance. Dr Mrs Shraddha Deshpande, Convener of Training Placement and Career Guidance Cell compered the programme.
