Dharampeth M.P.Deo Memorial Science College, Nagpur

"IIT Spoken Tutorial Certificate Course"

College Course Co-Ordinator (Dr.Mrs.Snehal Narale, Head Department of Computer Science, M.Sc. ,M.Phil,Ph.D.(CS))

ABOUT: SPOKEN TUTORIAL PROJECT

Spoken Tutorial is a multi-award winning educational content portal. Here one can learn various Free and Open Source Software all by oneself. Our self-paced, multi-lingual courses ensure that anybody with a computer and a desire for learning can learn from any place, at any time and in a language of their choice.
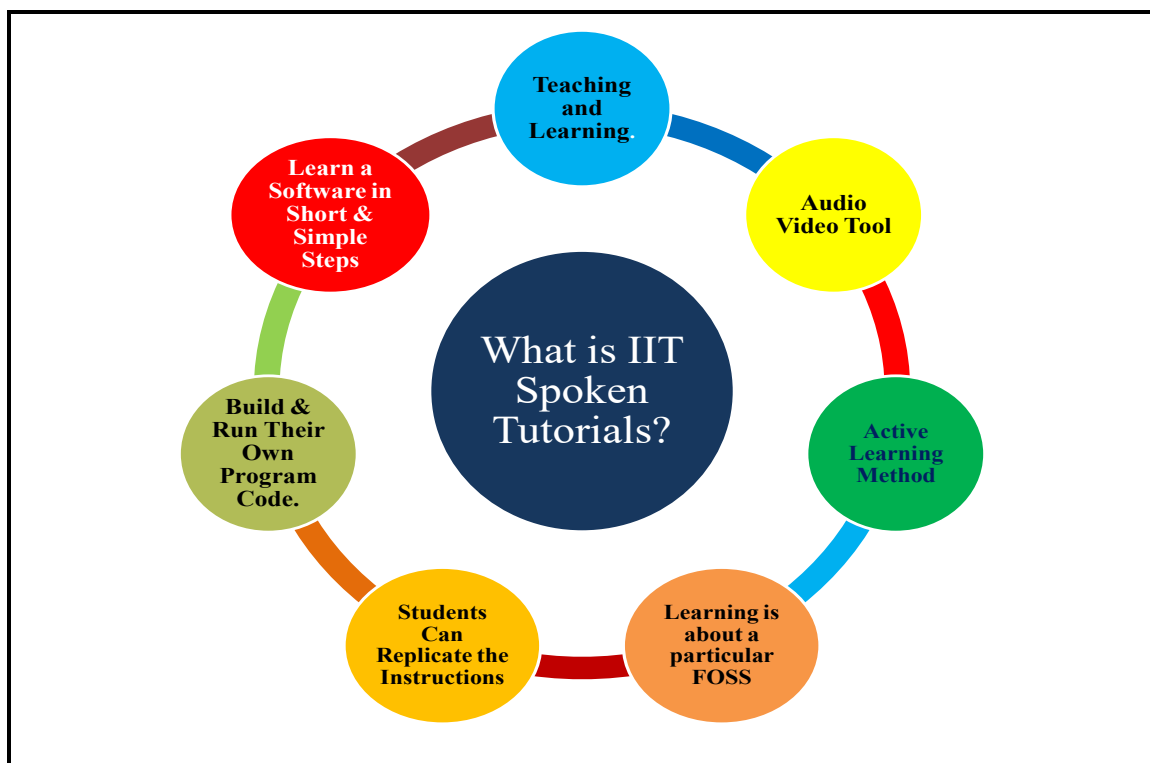

OBJECTIVES

➢ The Spoken Tutorial Project is about teaching and learning.

➢ Learning is about a particular FOSS

➢ (Free and Open Source Software) like, Skylab, Latex, PHP & MySQL, Java, C/C++, LibreOffice etc.

➢ It is an audio video tool that teaches open source software.

➢ Use active learning method

➢ Students learn software in short and simple steps through the method.

➢ Students can replicate the instructions, build and run their own program code
