TREE PLANTATION

Description of Project in Detail Tree plantation was our first offline event which was held on the occasion of 15th August i.e. independence day. We all gathered on our college ground and planted saplings together as it was independence day and we wanted to celebrate it in a different social way . We need to understand the importance of our environment and we need to conserve it. So with this amazing and social motive Rotaract club of Dharampeth MP deo memorial science College organised this event with the parent club which was very happy and successful.

TREE PLANTATION

All the committee members and teachers took actively participated in this activity . Followed by National anthem and flag hosting . Also on this occasion all the committee members and president got their pins (Batches) on that day by hands of shakbir sir . The activity was pleasing and enthusiastic with a firm social message.

FLAG COLLECTION

The preservation of freedom is not the task of soldiers alone. Flag collection was done on the occasion of republic day i.e.26th January. There are many people in our society who are reckless and irresponsible towards our duty of protecting National flag so our club came with a idea of taking responsibility and make people aware of our duties as citizens .So we all members in our locality went out and collected the flags which we saw lying on the roads. As this is national to protect and prevent our national from any harm . All our teachers and principal was were happy with us and appreciated us for doing this activity on a very proud occasion of republic day. And celebrated the occasion in a different way with all the precautions and irrespective this hard times.

PAANVATHA'

PAANVATHA' an initiative on occasion of The World Water Day is to quench the thirst of stray animals during these hot days. Water being an internal part of living of our lives this activity was about to install water vessel on road and storing water in pots and bottles for birds and stray animals. This activity is a reminder to all that not everyone has a equal opportunity and amount of sources with them and hence we should be a little helpful when such oportunity comes up. Giving water to animals in scorching sun and giving them some drops of Satisfaction. All our BoD's participated in this activity for serving the needy. Also created awareness about how animals are thirsty during summers and how they suffer. All took amazing pictures and contributed in this social activity.

"Joining hands"- Membership Drive

A annual activity i.e. membership drive under the name of “HOLDING HANDS” took place in Rotaract club of Dharampeth science college, Nagpur on 23rd of may 2021.

This event was a annual report of all the works and events done by our Rotoract Club but as the name shows, the meeting was more of a bond we share with our teacher and with our parent club and how they helped us with all the projects and kept us motivated throughout the year along with helping others to create a better community.

Board members, parent club along with club members joined the activity where all board members shared their experiences of working in Rotaract club along with elaborating their post in the club and motivating other members and students to join the Rotaract club . Also the activities held out the year was shared and reported to the parent club by the board member the activity was hosted by Sanchita puntambekar , board director.The activity was a great success and was a rollercoaster ride for a the board members as they shared their precious memories and work with all.

"Daana pani"- Feeding Stray Animals

A social activity of feeding to the needy named as “दानापानी” was held by Rotaract club of Dharampeth science college, Nagpur on 30th of may 2021.

Daanapani was a event dedicated to all the stray animals who don't get food or water from a proper source, they always depend on people like us for filling their stomachs and thus it's our responsibility to feed those animals in name of humanity .

The members of the club along with board members fed the domestic animals in their localities . As due to lockdown all shops and markets are closed due to which stray animals suffer .

This activity is a social cause conveying the message of helping the needy in tough times .

Members fed food and water to dogs, birds and cows. They also clicked pictures and patted them with touch of love. The response for the activity was quite good and moderate amount of participants were seen in the activity they fed different kind of foods and snacks to the animals and also stored water for them in the courtyard and attics of their houses and apartments.
