# How much of the syllabus was covered in the class?

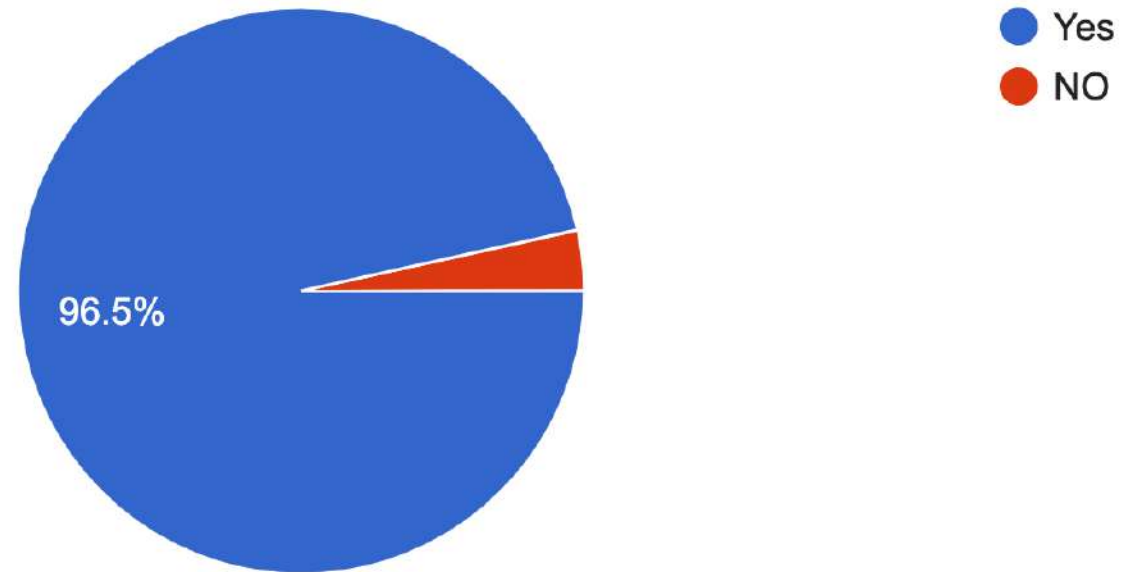

463 responses

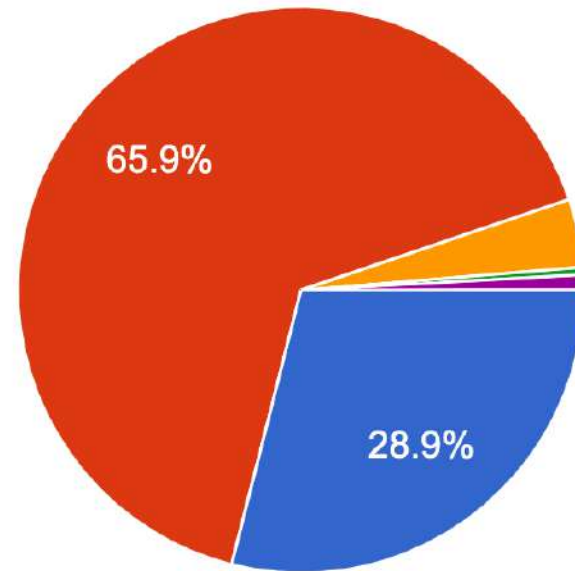

Were the teaching activities like online test or quizzes taken during pandemic lockdown.

463 responses

# How well did the teachers prepare for the classes?

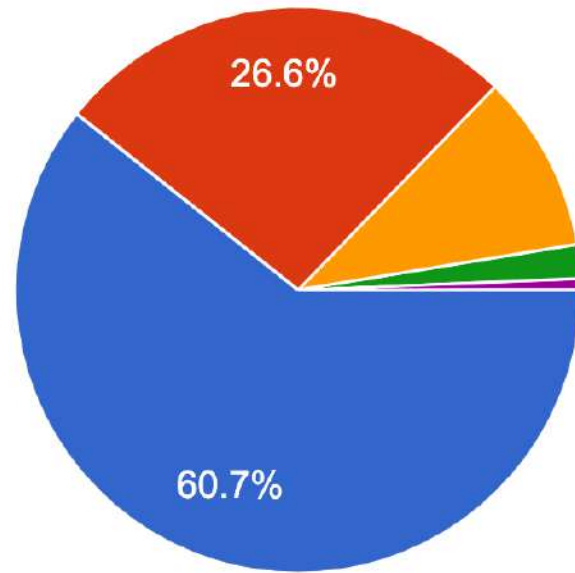

463 responses

- Thoroughly
- Satisfactorily
- Poorly
- Indifferently
- Won't teach at all

# How well were the teachers able to communicate?

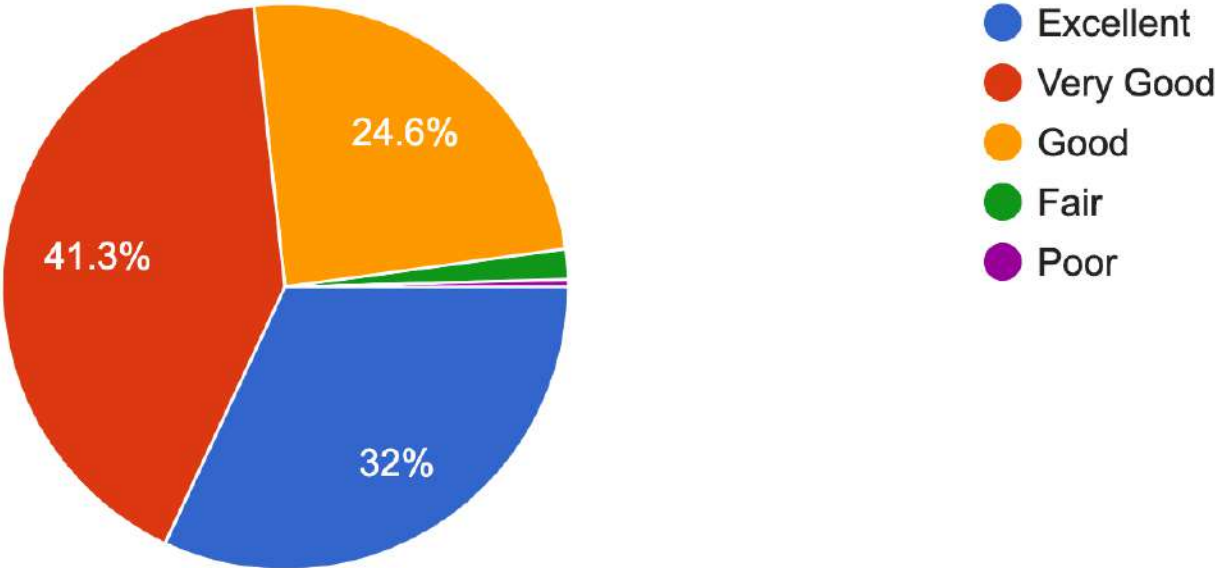

463 responses

- Always effective
- Sometimes effective
- Just Satisfactorily
- Generally ineffective
- Very Poor Communication

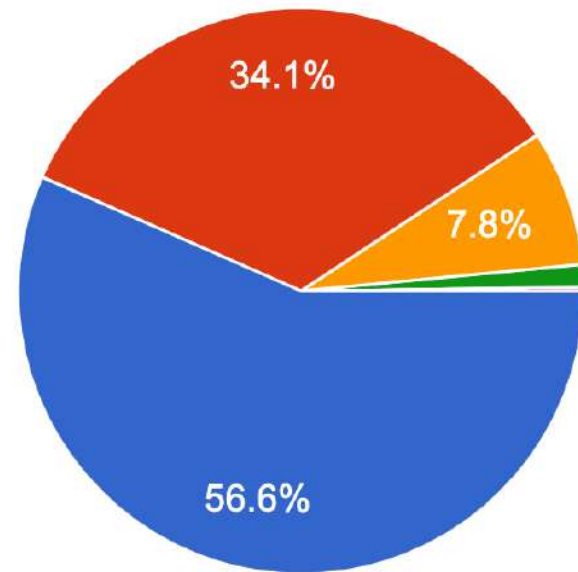

The teachers approach to teaching can be best be described as

463 responses

# Fairness of the internal evaluation process by teachers.

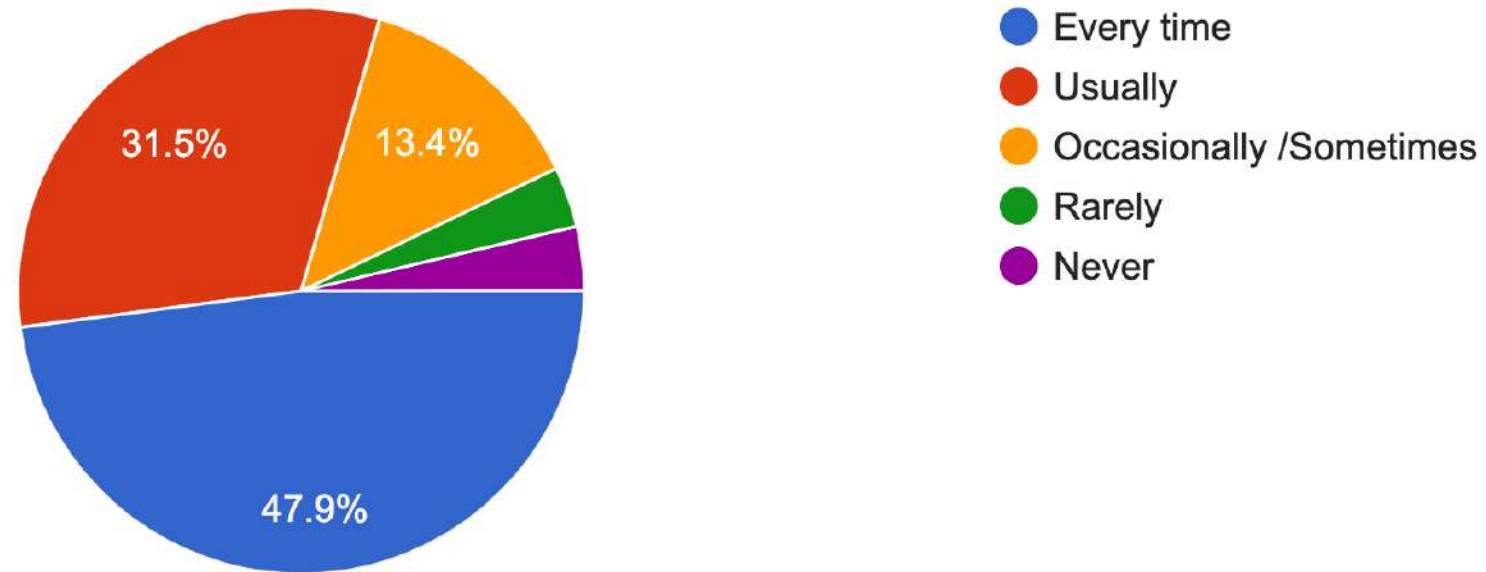

463 responses

- Always Fair
- Usually Fair
- Some times unfair
- Usually unfair
- Unfair

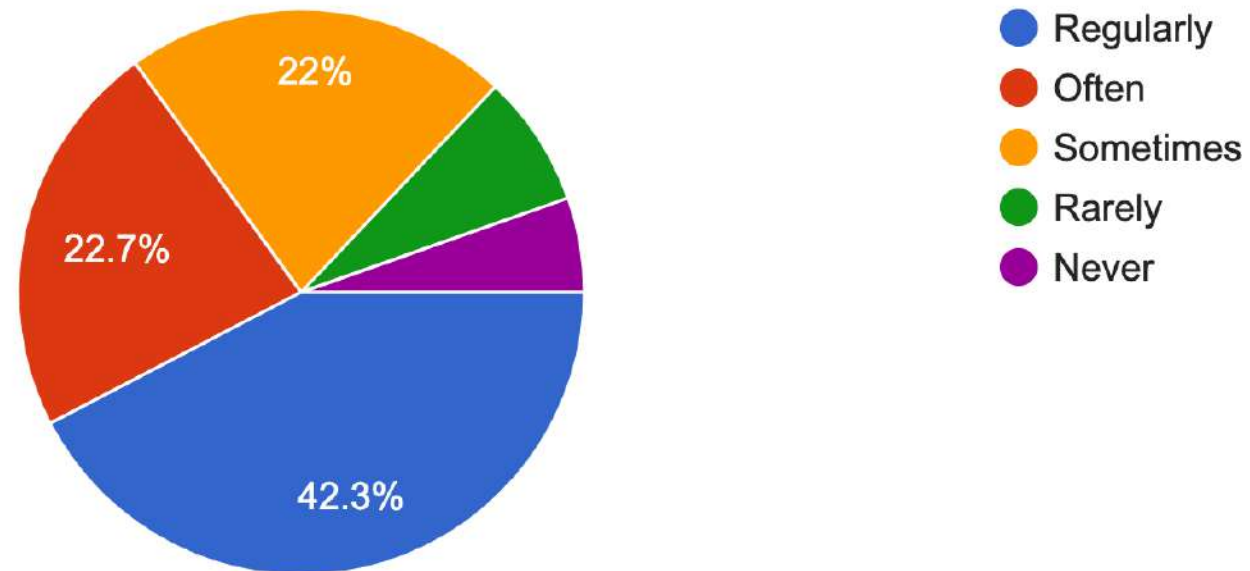

# Was your performance in assignments discussed with you?

463 responses

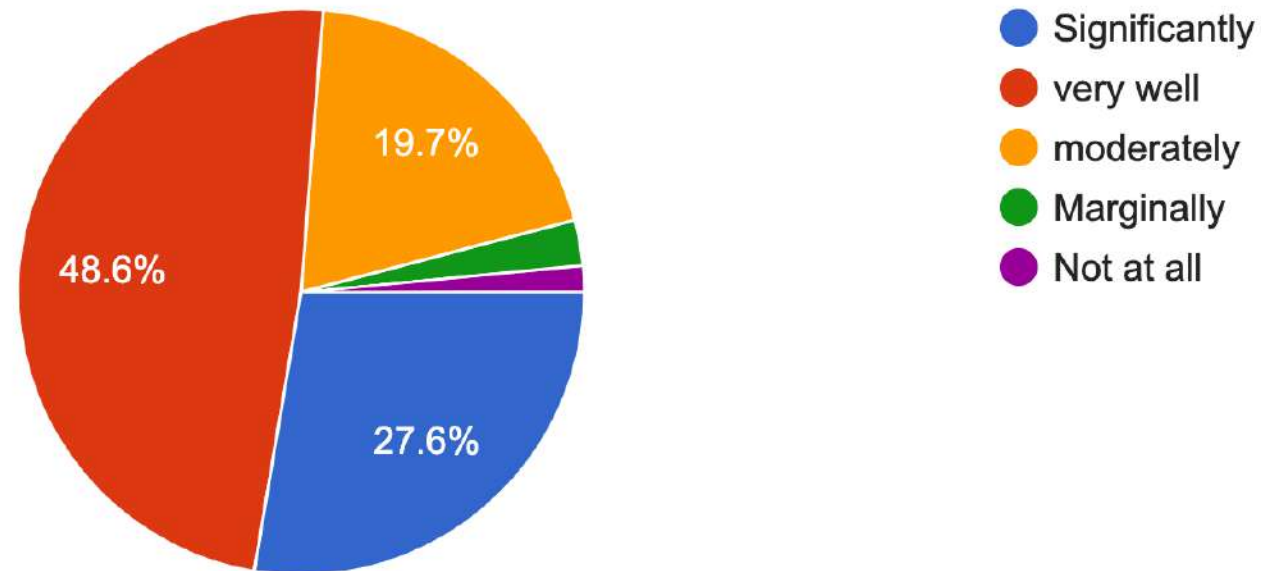

Dose the institute takes active interest in promoting internship, students exchange , field visit opportunities for students.

463 responses

Does teaching and mentoring process in your institution facilitates you in cognitive, social and emotional growth

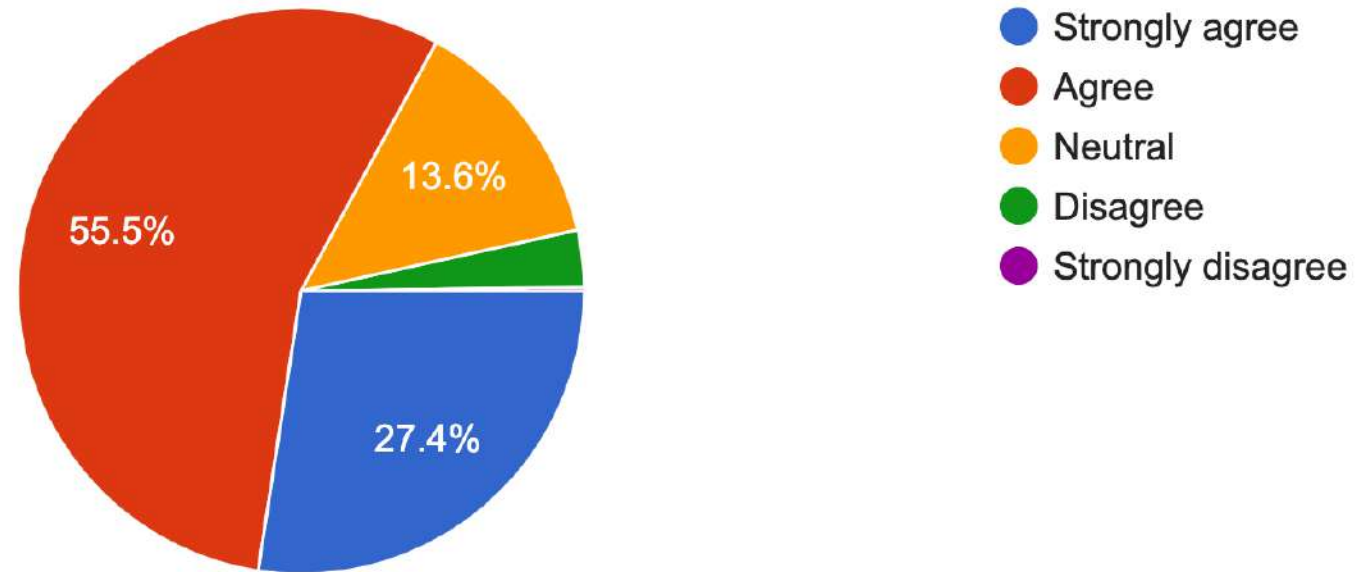

463 responses

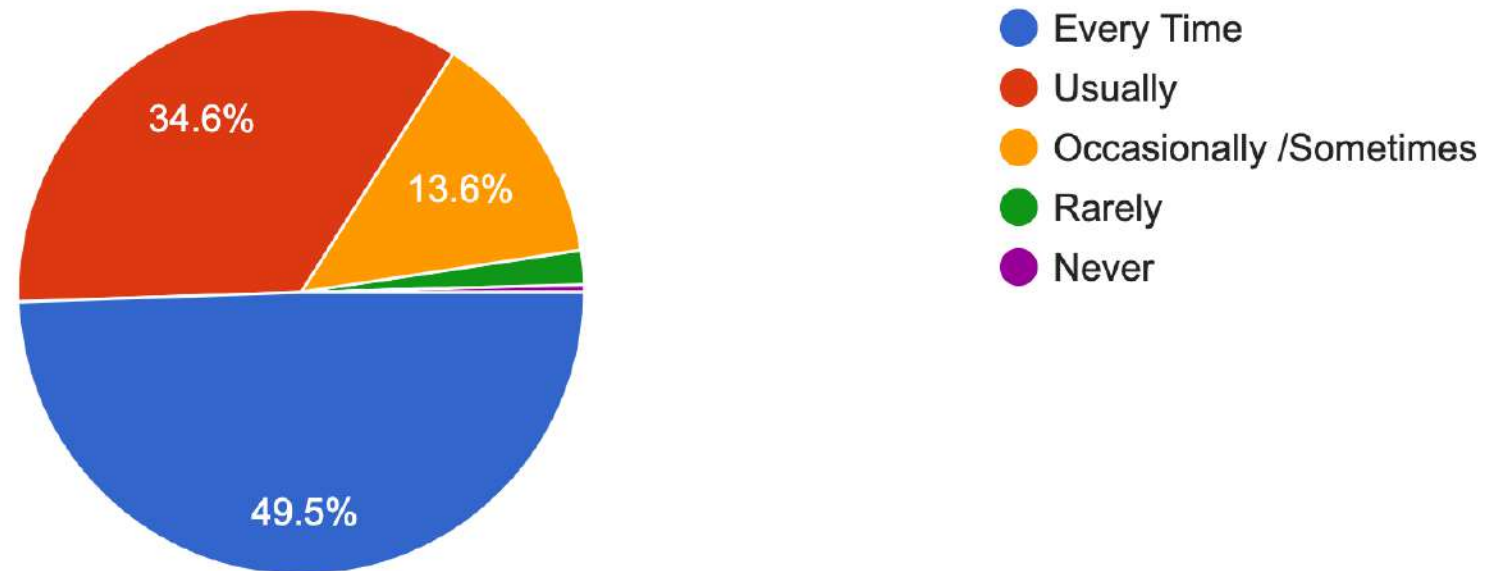

# Dose the institution provides multiple opportunities to learn and grow

463 responses

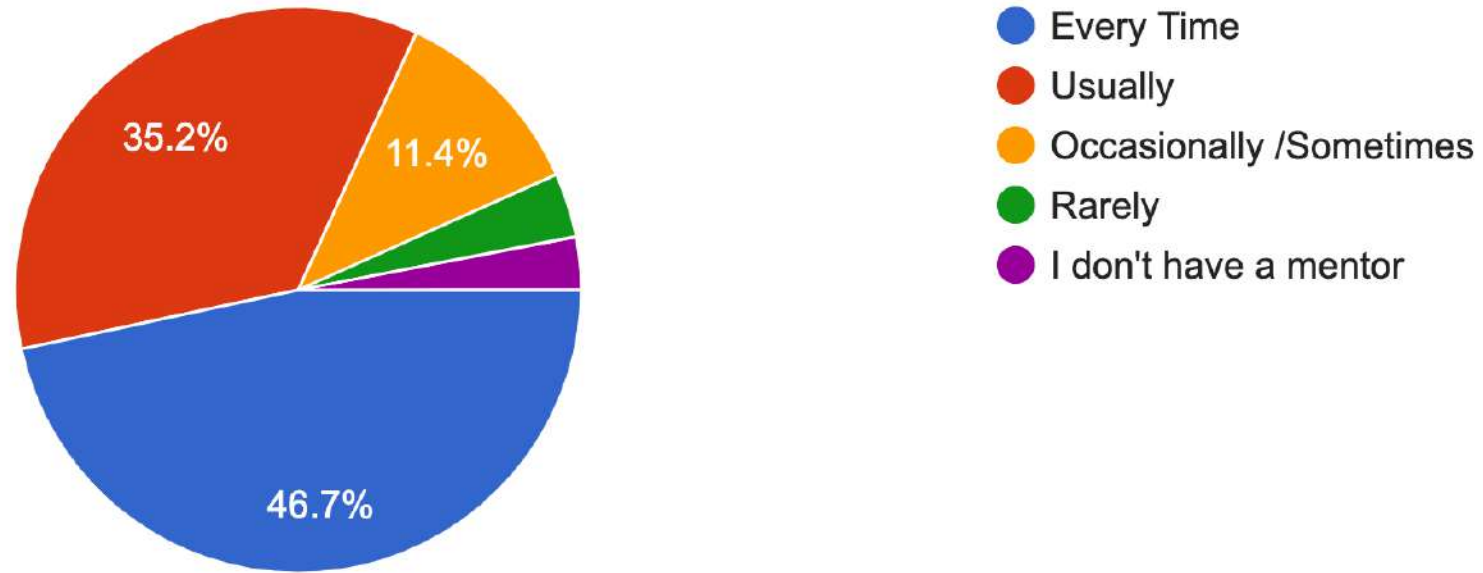

# Does teachers inform you about your expected competencies, course outcomes and programme outcomes

463 responses

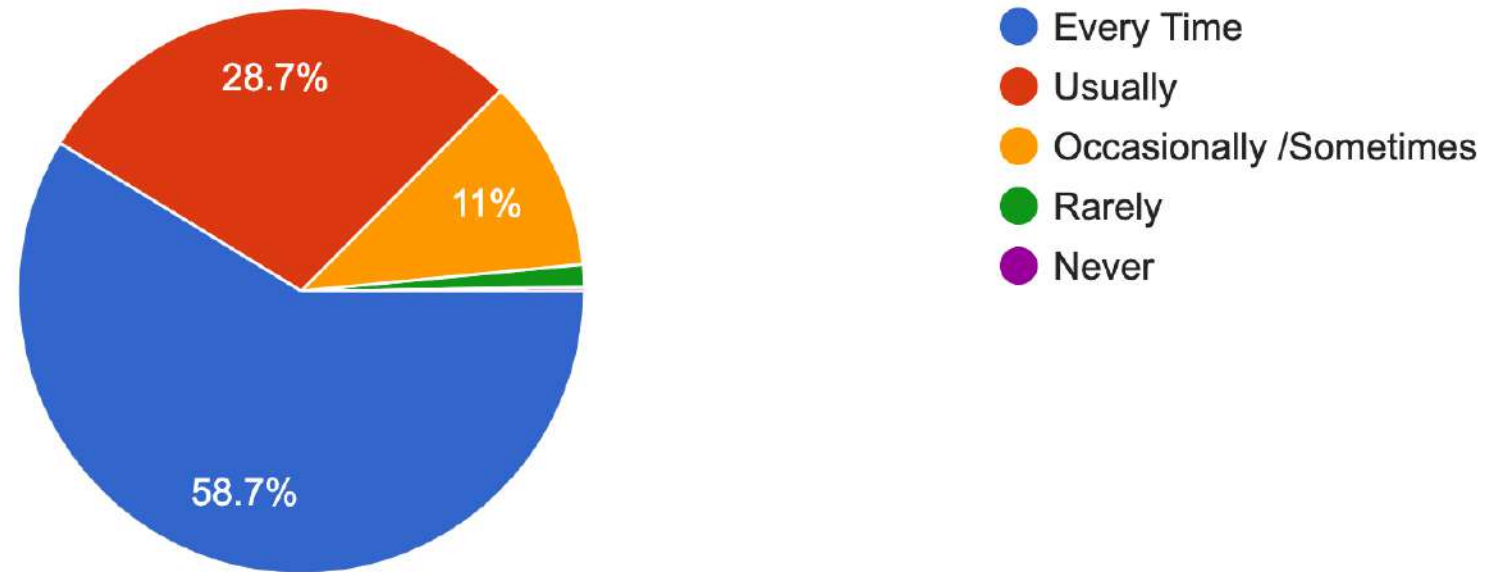

# Does Your mentor does a necessary follow-up with an assigned task to you?

463 responses

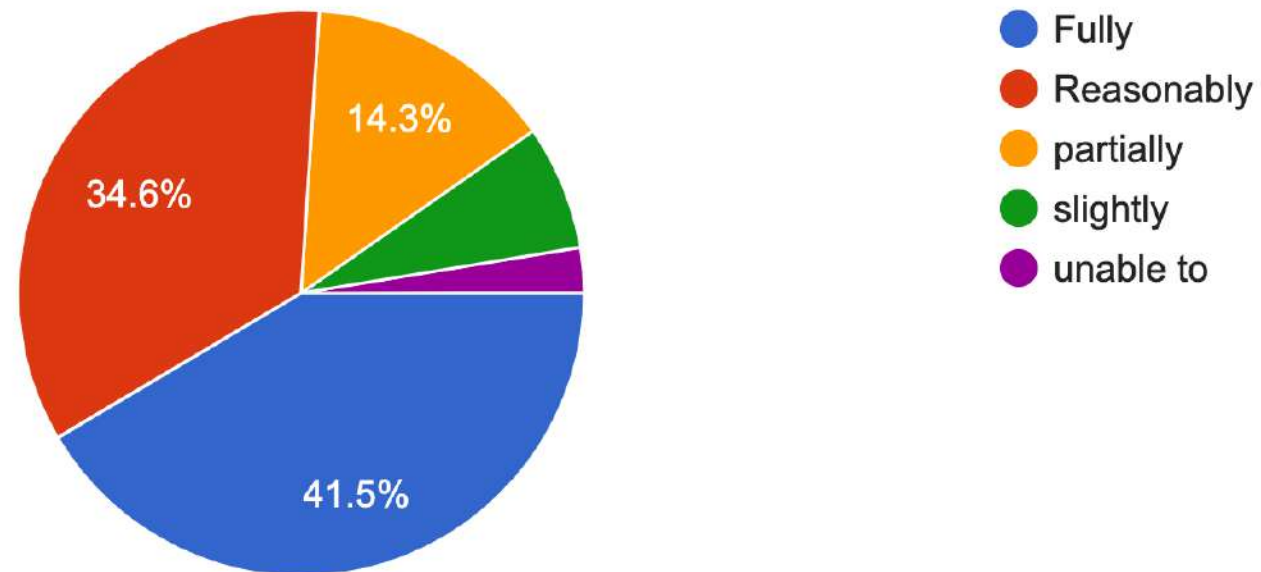

Does the teacher illustrate the concepts through examples and applications.

463 responses

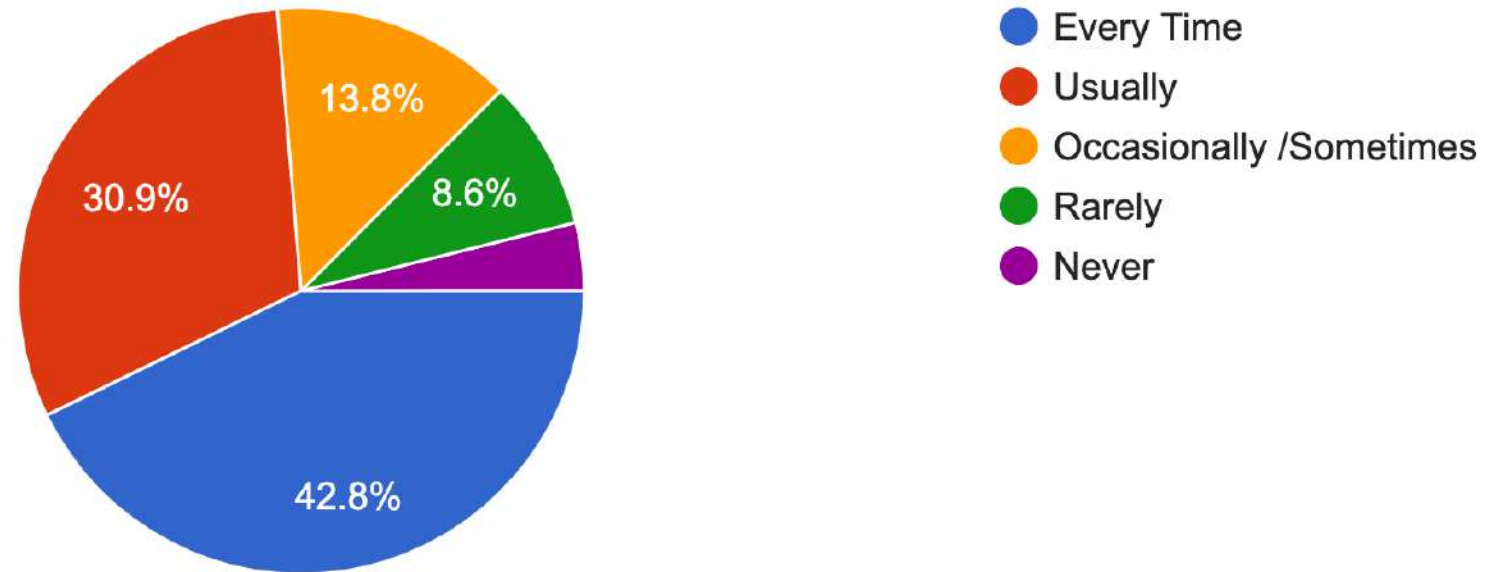

Does your teachers identify your strengths and encourage you with providing right level of challenges.

463 responses

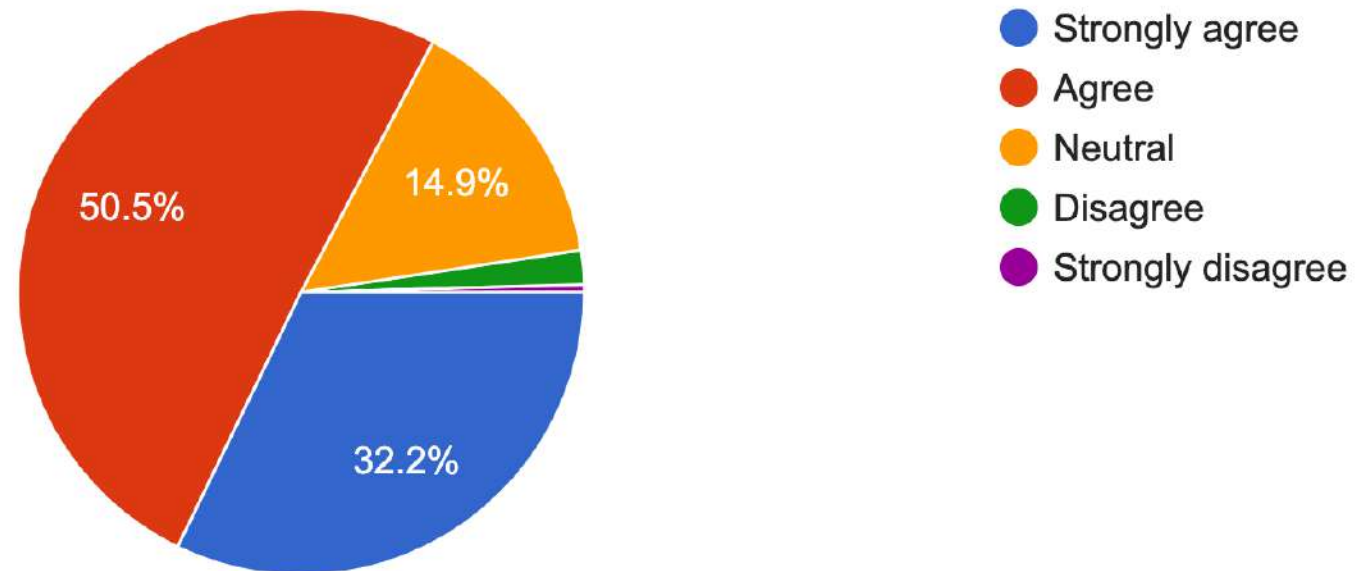

# Does teachers identify your weakness and help you to overcome them

463 responses

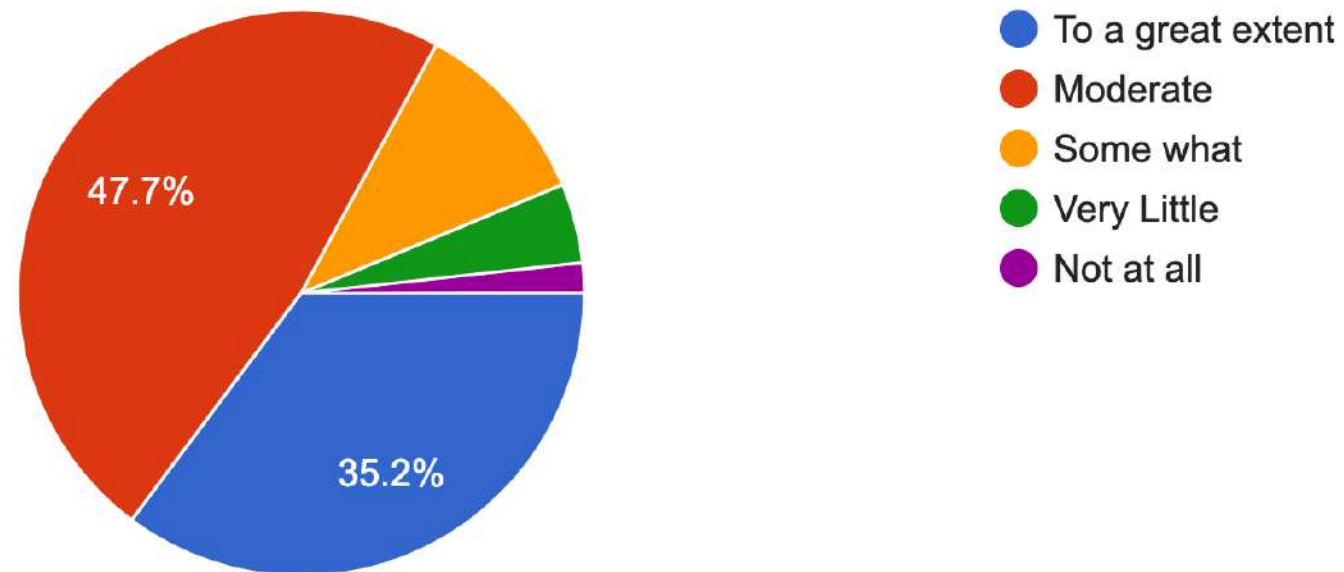

Does institution makes efforts to engage students in the monitoring, review and continuous quality improvement of the teaching learning process.

463 responses

Does the institute / teachers use student centric methods such as experiential learning, participative learning and problem solving methodologies for enhancing learning experiences.

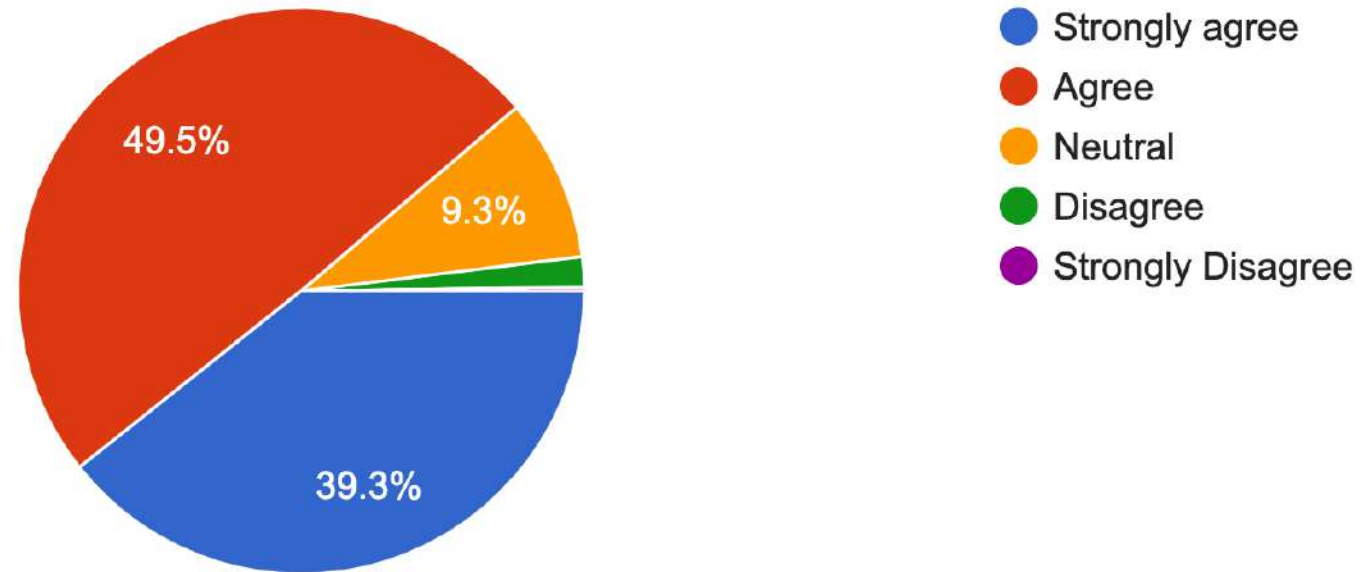

463 responses

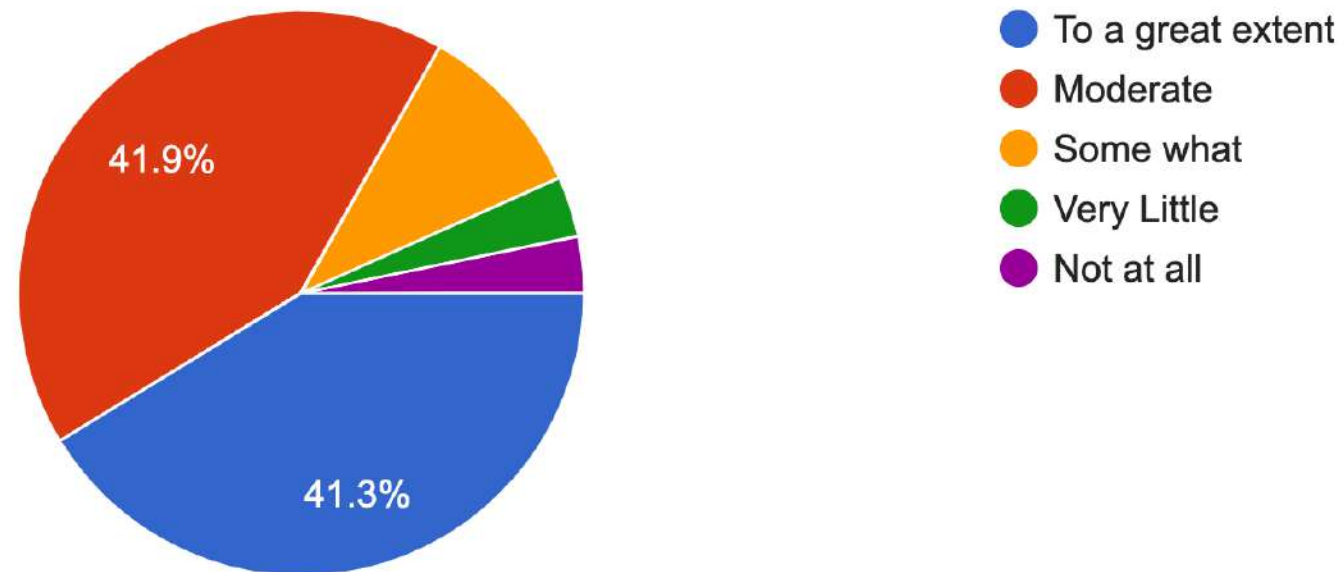

Does teachers encourages you to participate in extracurricular activities.

463 responses

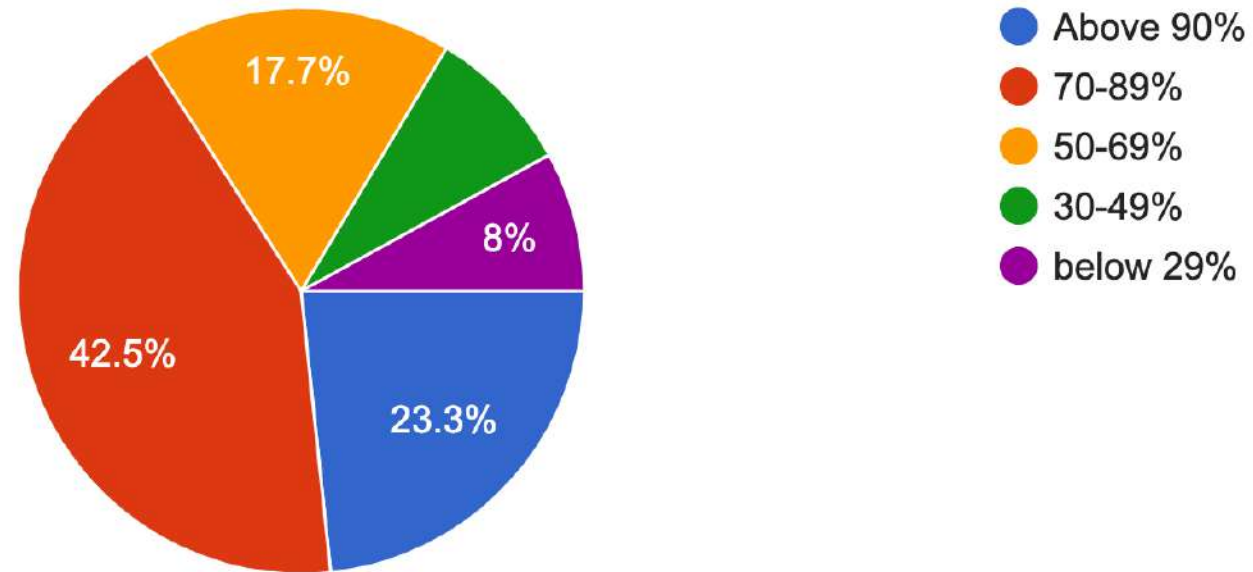

Does efforts are made by the institute/ teachers to inculcate soft skills, life skills and employability skills to make you ready for the world of work.

463 responses

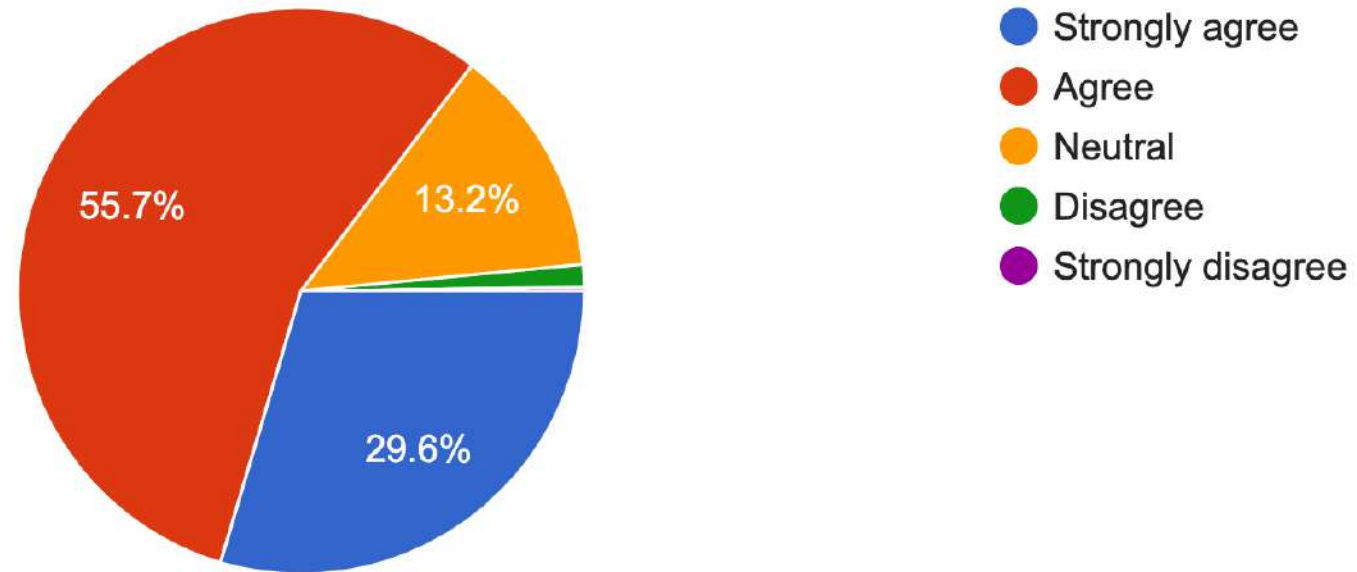

What percentage of teachers use ICT tools such as LCD projectors, Multimedia etc. while teaching.

463 responses

Does the overall quality of teaching- learning process in your institute is very good .

463 responses

Give three observation/ suggestions to improve the overall teaching- learning experience in your institution.

No

No suggestions

Nothing

Nothing

Good

.

Very good

Good

None

Great

No suggestions

.....

No thank you

Very good

No Suggestions

Very well

everything is perfect

No, All are good

No suggestion, the way they conduct the class is good.

All time supportive and doing nice work to teach us.

1- student teacher interaction should be more 2- more learning techniques should be use 3- assignment should be discussed

Nothing everything is perfect

Teaching is already very good in my institution

.

1) Teacher helping all students. 2) Teaching very well. 3) Caring all students about study.

Teachers should inform students about any activities atleast earlier and not on time.

Lecture taken by teachers already very nice But during classes network issues come on my side. Thankyou

1)make teaching a two way interaction 2)ask students for their doubts

Always cooperate with student Always available when we asked some doubt Nicely explain

N/A

Encourage the students for social learning

\*

No improvement

No need suggestions.. Every teachers was good in there places

Try to reach every student and ask for their doubts.

They give their best to guide us

Good i am satisfied

No.

Excellent, very good,good

No anyone

Teaching with suitable examples, encourage students in participating various activities, help students to overcome their weakness.

No need of suggestions by my point of view... 😞

Attractive, asking questions, help to be need

Good learning experience in the institution

Interaction, Explanation, Test

It is good as it is, do not change anything,

H

Teacher are so active in the classes. They use ppt to present the units n it makes esay to learn the thinks n understand to. Sum teacher on there back camera n teach n that's also to good to understand the concept of the units which they tell us pr drawing n writing .

Regular classes, more interactive, improve more teaching learning process in some of subjects

Stop extra classes and increase tests on MCQ type

1) Use better graphics and visual media to engage students well. Better graphics and colors arouse the interest and desire to learn among students. ...

2) Try to reach every student and ask for their doubts

1.They can give some more examples related to the topics. 2. They can givee some more work to us like ppt making and projects. 3. They can use ppt presentation for teaching.

Test series, seminar, presentation

My college is very best learning . The all best quality in improving. The all facilities in your institution

1. Doubt solving sessions 2. communicate with students on particular topic 3. works on students strength and weaknesses  
Try to reach every student and ask for their doubts. Make teaching a two way interaction. Focus On One Topic At A Time.

1. Visual learning helps. 2. Online quizzes are helpful.

All good ,no need

. Till now there are no problems maam are taking classes

1) Change the way of teaching. 2) Teach the students as they are there friends. 3) Understand the side of students perspective.

1) time management issues 2) sometimes network issue , we are not able to join

-

Effectice learning of classes.

-

All good

1)proper an regular test

Teacher comunnicate student fairly and knowledge for outside .

1. Students should be taught mainly through examples and applications so that they could understand well. 2. Ppt should be explained in neat way while using the ppt to the students not only reading of ppt should be there but it should be done in such a way that students should understand it. 3. Teachers should motivate students in participating in extra curricular activities.

Yes, every week assignment, conduct continues classes, other extra information gave us.

1. Need to be more interactive , teachers come and go by only explaining the topic 2. The assignment and practicals are given abundantly which doesn't gives us the time to study . 3. No such activities are conducted to continue increasing focus and concentration of students in online classes

Nothing.. all good

Np

Teaching is good and teacher very responsible for student

Improving good quality and sound in class

Very well teaching experience. But improve the more teaching skill to get understand the students easliy.

1. only one time to decide the class. 2. there is no change in time . 3. The teachers internate connection should be propar .

Try to find out the doubts

1) every class should be fun coz it is online it fells boring

good experience

• Use better graphics and visual media to engage students well. ... • Try to reach every student and ask for their doubts. ... • Make teaching a two way interaction.

Should provide industrial visits. Should use LCD projectors to understand better.

Online classes in Very better , I understand that all subjects Lecture, But Offline College and Classes is mostly important to Students , our future life.....

Nothing to suggest just that the problem is with our internet connection

Teachers should know every child's strength.Encourage them They should pay attention to every weak child If Not only one topper child, then the whole class should be engaged in making the topper

1. Please start the maths classes first 2. Teach by camara shairiing with bord 3. Don't teach with out shairiing any media

Make a field visit to enhance the quality of knowledge

Good

Give assignment for practice...

Great efforts were taken by institution and teachers for teaching and in taking extra activities. Teachers had explained topics thoroughly and deeply.

Use better graphics and visual media to engage students well. ... • Try to reach every student and ask for their doubts. ... • Make teaching a two way interaction

To clear explanation, discover new thing together, participate in projects and assignment

Use better graphics and visual media to engage students well. Try to reach every student and ask for their doubts. Make teaching a two way interaction.

1) Teach every student to overcome her/his fear in any field.

None

Weekly test should be conducted and evaluation must be discussed with students. I have filled this form for microbiology teachers ( Dr.Archana Kulkarni mam , Dr. Vidhya Kathoke mam and Sadiya Deshmukh mam)

NOTHING

Lecture will be given in right time

Its very good & nice

It should be more effective..teacehers should use ict tools to make more interactive seccion or classes...

All subject classes are compulsory Teach on Projector Doubts clearing session should be conducted

OTHER (170)
