The Principal,  
Dharampeth M. P. Deo Memorial Science College,  
Nagpur

Through: Entrepreneurship Development Cell and Innovation and Incubation Cell.

Respected Sir,

I would like to inform you that, the students of Computer Science Department have developed an online portal in connection for maintenance of departmental record with reference to Student Centric Activities such as Assignment Submission, Online Exams, Online Quiz & various other classroom activities.

In the backdrop of covid-19 pandemic, as emphasis is on online & paperless working this will prove to be a boon to the department for maintenance of academic records as this portal is developed by the students as per department need. If proper technical support is given this can be implemented at college level also.

It will also help to encourage other students to come out with the novel ideas in future.

The ED Cell & Innovation and incubation Cell of the college has approved this online portal for further process under Skill Development Program.

Hence I, the undersigned Mrs. Ruma Kapre, Mentor of this Project with Dr. Mrs Snehal Narale, Head, Department of Computer Science hereby request you to kindly go through the proposal and grant us permission with necessary support to operate this at Departmental level first.

This is for your kind information and necessary action.

Thanking you.

Nagpur
