Nothing, Because teacher is very good, excellent & experience

Develop plans, methods, and processes. Create your students' experience.

Take a regular classes and increase good teaching

Classes should be regular

Please take a lecture

Take regularly timetable wise classes and give less break between classes.

nothing teaching are nice

Control class

...

Mam is good

Please give us iit spoken in final year also

Some slowly and explaining the concept.

Hard work, concentration

Please ask them to speak in hindi or English while explaining topics. There are students like me, who don't understand marathi as well as our fellow mates.

Nice

Class should take regular . and should practically teach everything.

Teaching with some elements

They should mainly focus to teach the concept not to writing of students.

One should focus on clearing the concepts more than the writing.

Teacher should take classes regularly.

Taking class regularly

No shes best

Increase some teaching skill

All teachers best

Suggestions are regarding

We don't understand what teacher teach us in Chemistry practical .calculation where teach wrong

Timing

Dectect us how to write answers in an exam

## Suggestions for improvement in curriculum design & development.

15 responses

Computational mathematics

Need to revise the Syllabi with recent advances and project based learning

Subjects taught shd be minimized/ choice should be given to choose subjects ,as many subjects taught & all compulsory

Full fill requirements of Industries and application point of view

Curriculum must have more weightage to project feild work and experiential learning

Without faculty, it is not possible give proper justice stakeholders

Inclusion of Separate mini project work with allotment of marks in the final marksheet would help to strengthen the curriculum.

No....

Curriculum design should be more focused towards self employment

Skill based innovations in teaching-learning pedagogy may be helpful in getting better employment

Syllabus revision for Home Science Faculty

As per the requirement of the IT industry and technology new subjects need to be incorporated or added in the syllabus.

f

Need to develop technology industrial zone

Enhance extracurricular activities
