

DHARAMPET M. P. DEO MEMORIAL SCIENCE COLLEGE NAGPUR

7.1.5: Green campus initiatives include

1. **Restricted entry to automobiles:** Only the parking spaces at the main entrance are available for cars on campus. We do, however, permit their automobiles on campus for people with physical disabilities.
2. **Use of Bicycles/ Battery powered vehicles:** Those who use Nagpur Metro to commute for free from their homes to their colleges, we have given bicycles for all stakeholders in order to reduce the usage of automobiles even beyond the grounds eco-friendly and convenient transportation
3. **Pedestrian Friendly-pathways:** The premises have pedestrian friendly pathways.
4. **Ban on use of Plastic:** To achieve environment friendly campus, we have made a policy to ban plastics for single use within the premises.
5. **Landscaping with trees and plants:** Every year, the institute encourages tree planting to make the campus more environmentally friendly. In addition to the many trees planted across the campus, we have a nice botanical garden. Additionally, we take every opportunity to send our students and employees off campus for tree planting projects. On various occasions, we have a nice tradition of giving plant saplings to guests and coworkers.
