e-Governance Policy

The e-Governance Policy of the institution from 16/6/2017 is as follows:

Scope: The institution through the policy envisions to connect all the different interaction levels among teachers, students, administrations, university, government and industry by e-governance

Objective:

To adopt easy, transparent, time saving and ethical governance by using:

1. Application of ICT at priority levels
2. Improve the efficiency of various college windows interacting with students
3. Adopt effective Information Management Systems.
4. Providing information in public domain transparently through the institutional website
5. Wi-Fi enabled campus
6. Process the ICT related scrap through reuse, e-waste management methods, utilization of useable parts by MCV department/maintenance department of the institution.

Policy:

The e-Governance policy of the institution envisions to connect all the different levels of interaction among the teachers, students, administrations, management, university, government and industry by e-Governance.

Annual e-governance Report

2021-22

The e-governance platform provides facility for online official communications regarding planning and development is realized through e-mails, MIS modules and messages. Government scholarships are prepared and submitted online through participative managementsystem to concerned organizations including state government and sanctions are obtained through the same mode. Various MIS modules are an integral part of the data and information transfer process between the College and the higher education department. The following assignments are carried out online

- All records of office administration.
- Salary of staff through the banking.
- Government scholarships, Communication through e-mails to government and other agencies.
- Finance and Accounts for Planning and development.
- Use of ICT for teaching learning.
- Wi-Fi enabled campus.
- Online admission form for B. Sc Sem I students.
- Cloud based EPR for billing used.
- Tally software is used in office for transparency, fast and easy working.

e-Governance Policy

The e-Governance Policy of the institution from 16/6/2017 is as follows:

Scope: The institution through the policy envisions to connect all the different interaction levels among teachers, students, administrations, university, government and industry by e-governance

Objective:

To adopt easy, transparent, time saving and ethical governance by using:

1. Application of ICT at priority levels
2. Improve the efficiency of various college windows interacting with students
3. Adopt effective Information Management Systems.
4. Providing information in public domain transparently through the institutional website
5. Wi-Fi enabled campus
6. Process the ICT related scrap through reuse, e-waste management methods, utilization of useable parts by MCVV department/maintenance department of the institution.

Policy:

The e-Governance policy of the institution envisions to connect all the different levels of interaction among the teachers, students, administrations, management, university, government and industry by e-Governance.

Annual e-governance Report

2020-21

The e-governance platform provides facility for online official communications regarding planning and development is realized through e-mails, MIS modules and messages. Government scholarships are prepared and submitted online through participative managementsystem to concerned organizations including state government and sanctions are obtained through the same mode. Various MIS modules are an integral part of the data and information transfer process between the College and the higher education department. The following assignments are carried out online

- All records of office administration.
- Salary of staff through the banking.
- Government scholarships, Communication through e-mails to government and other agencies.
- Finance and Accounts for Planning and development.
- Use of ICT for teaching learning.
- Wi-Fi enabled campus.
- Online admission form for B. Sc Sem I students.
- Cloud based EPR for billing used.
- Tally software used.

e-Governance Policy

The e-Governance Policy of the institution from 16/6/2017 is as follows:

Scope: The institution through the policy envisions to connect all the different interaction levels among teachers, students, administrations, university, government and industry by e-governance

Objective:

To adopt easy, transparent, time saving and ethical governance by using:

1. Application of ICT at priority levels
2. Improve the efficiency of various college windows interacting with students
3. Adopt effective Information Management Systems.
4. Providing information in public domain transparently through the institutional website
5. Wi-Fi enabled campus
6. Process the ICT related scrap through reuse, e-waste management methods, utilization of useable parts by MCV department/maintenance department of the institution.

Policy:

The e-Governance policy of the institution envisions to connect all the different levels of interaction among the teachers, students, administrations, management, university, government and industry by e-Governance.

Annual e-governance Report

2019-20

The e-governance platform provides facility for online official communications regarding planning and development is realized through e-mails, MIS modules and messages. Government scholarships are prepared and submitted online through participative managementsystem to concerned organizations including state government and sanctions are obtained through the same mode. Various MIS modules are an integral part of the data and information transfer process between the College and the higher education department. The following assignments are carried out online

- All records of office administration
- Salary of staff through the banking
- Government scholarships, Communication through e-mails to government and other agencies.
- Finance and Accounts for Planning and development
- Use of ICT for teaching learning
- Wi-Fi enabled campus
- Online admission form for B. Sc Sem I students
- Cloud based EPR for billing used

e-Governance Policy

The e-Governance Policy of the institution from 16/6/2017 is as follows:

Scope: The institution through the policy envisions to connect all the different interaction levels among teachers, students, administrations, university, government and industry by e-governance

Objective:

To adopt easy, transparent, time saving and ethical governance by using:

1. Application of ICT at priority levels
2. Improve the efficiency of various college windows interacting with students
3. Adopt effective Information Management Systems.
4. Providing information in public domain transparently through the institutional website
5. Wi-Fi enabled campus
6. Process the ICT related scrap through reuse, e-waste management methods, utilization of useable parts by MCVV department/maintenance department of the institution.

Policy:

The e-Governance policy of the institution envisions to connect all the different levels of interaction among the teachers, students, administrations, management, university, government and industry by e-Governance.

Annual e-governance Report
2018-19

The e-governance platform provides facility for online official communications regarding planning and development is realized through e-mails, MIS modules and messages. Government scholarships are prepared and submitted online through participative managementsystem to concerned organizations including state government and sanctions are obtained through the same mode. Various MIS modules are an integral part of the data and information transfer process between the College and the higher education department. The following assignments are carried out online

- All records of office administration
- Salary of staff through the banking
- Government scholarships, Communication through e-mails to government and other agencies.
- Finance and Accounts for Planning and development
- Use of ICT for teaching learning
- Wi-Fi enabled campus
- Online admission form for B. Sc Sem I students
- Cloud based EPR for billing used

e-Governance Policy

The e-Governance Policy of the institution from 16/6/2017 is as follows:

Scope: The institution through the policy envisions to connect all the different interaction levels among teachers, students, administrations, university, government and industry by e-governance

Objective:

To adopt easy, transparent, time saving and ethical governance by using:

1. Application of ICT at priority levels
2. Improve the efficiency of various college windows interacting with students
3. Adopt effective Information Management Systems.
4. Providing information in public domain transparently through the institutional website
5. Wi-Fi enabled campus
6. Process the ICT related scrap through reuse, e-waste management methods, utilization of useable parts by MCV department/maintenance department of the institution.

Policy:

The e-Governance policy of the institution envisions to connect all the different levels of interaction among the teachers, students, administrations, management, university, government and industry by e-Governance.

Annual e-governance Report

2017-18

Online official communications regarding planning and development is realized through e-mails, MIS modules and messages. Government scholarships are prepared and submitted online through participative managementsystem to concerned organizations including state government and sanctions are obtained through the same mode. Various MIS modules are an integral part of the data and information transfer process between the College and the higher education department. The following assignments are carried out online

- All records of office administration
- Salary of staff through the banking
- Government scholarships, Communication through e-mails to government and other agencies.
- Finance and Accounts for Planning and development
- Application of ICT at priority levels.
- E-library software is used to maintain the data of library.
