Count of Does teaching and mentoring process in your institution facilitates you in cognitive, social and emotional gr...

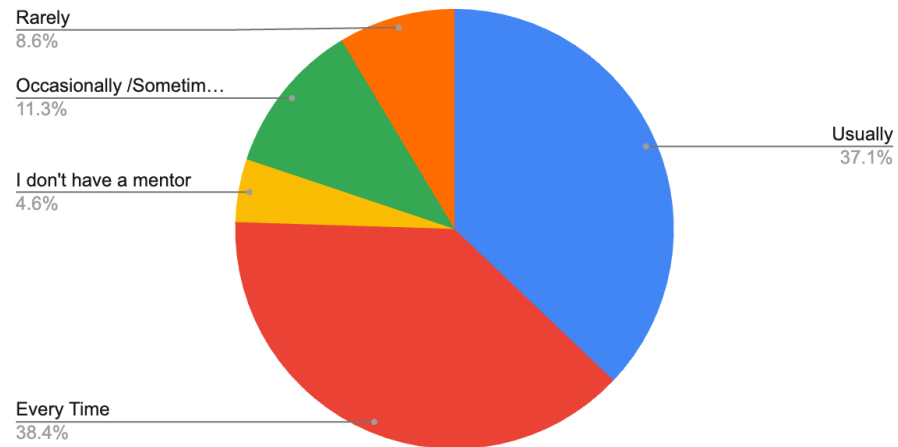

Count of Dose the institution provides multiple opportunities to learn and grow

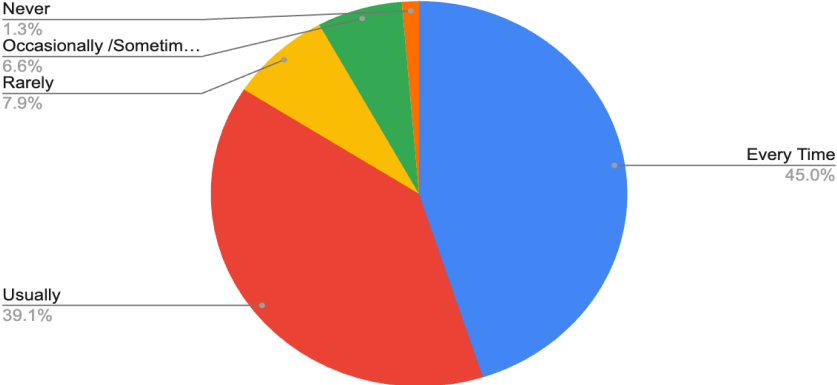

Count of Does teachers inform you about your expected competencies, course outcomes and programme outcomes

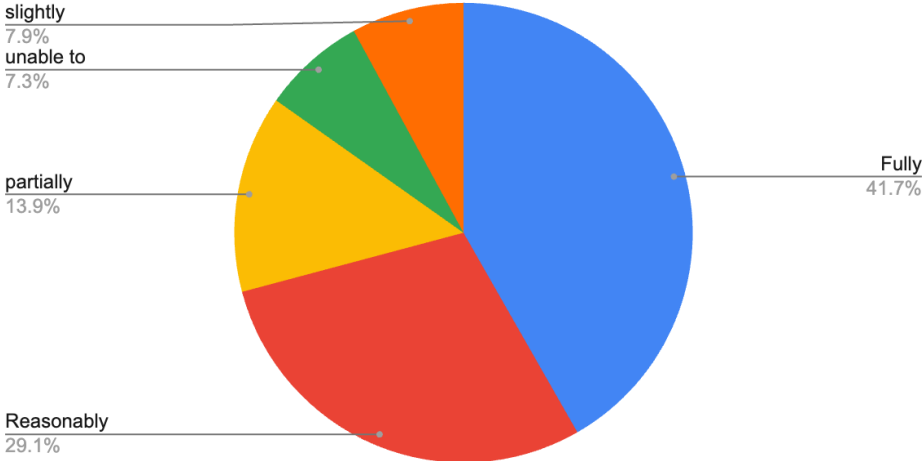

Count of Does Your mentor does a necessary follow-up with an assigned task to you?

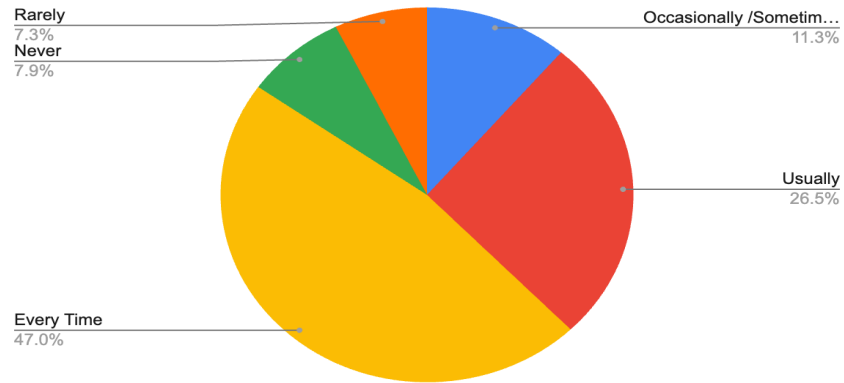

Count of Does the teacher illustrate the concepts through examples and applications.

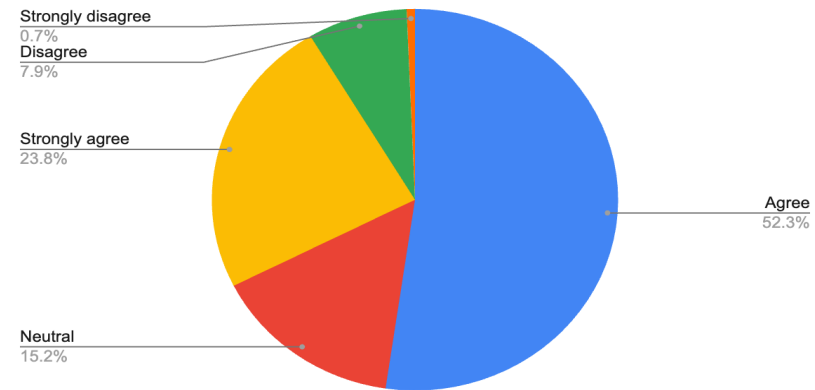

Count of Does your teachers identify your strengths and encourage you with providing right level of challenges.

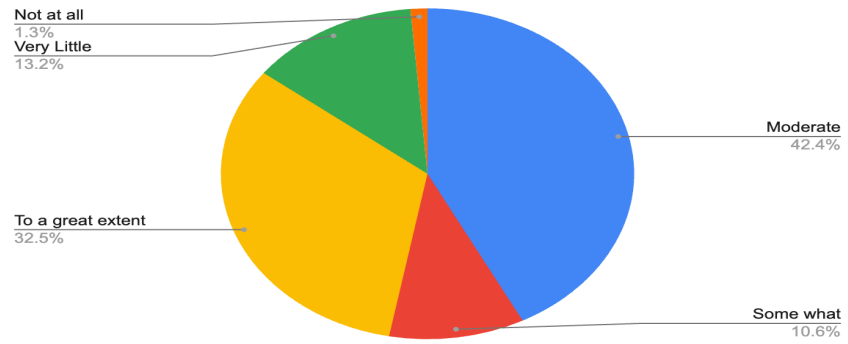

Count of Does teachers identify your weakness and help you to overcome them

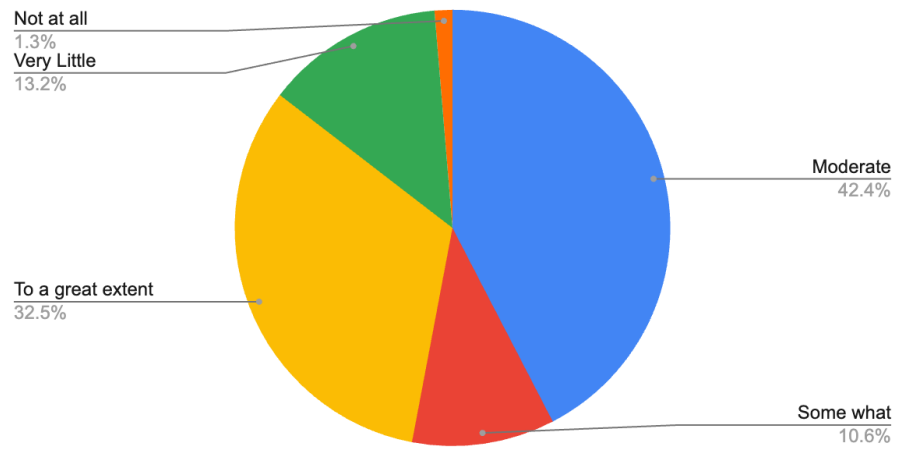

Count of Does institution makes efforts to engage students in the monitoring, review and continuous quality improvement of the teaching learning process.

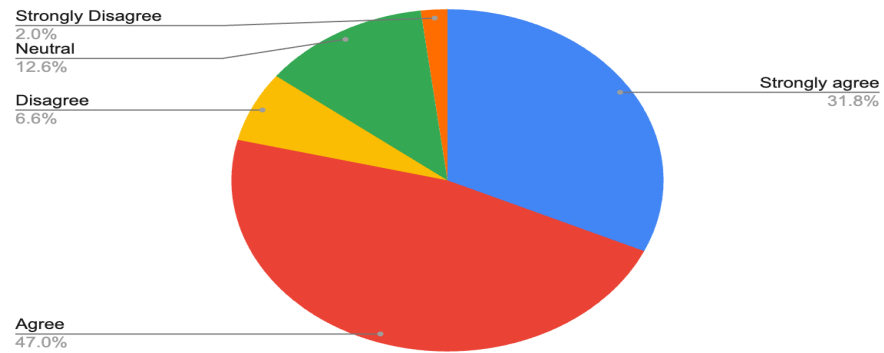

Count of Does the institute / teachers use student centric methods such as experiential learning, participative learning...

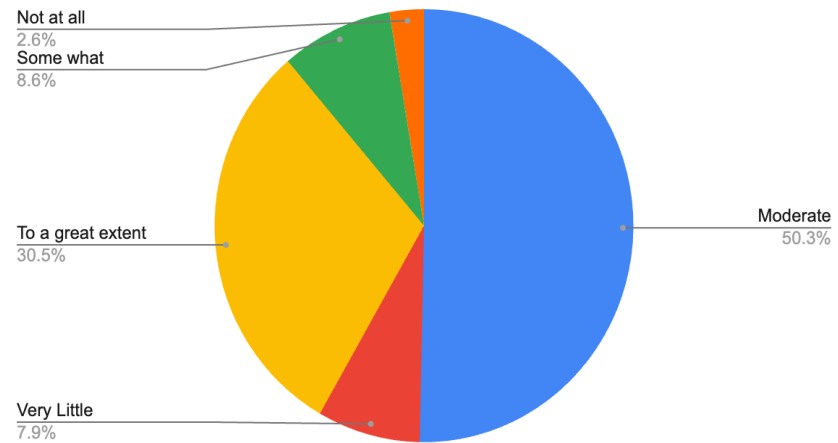

Count of Does the institute / teachers use student centric methods such as experiential learning, participative learning and problem solving methodologies for enhancing learning experiences.

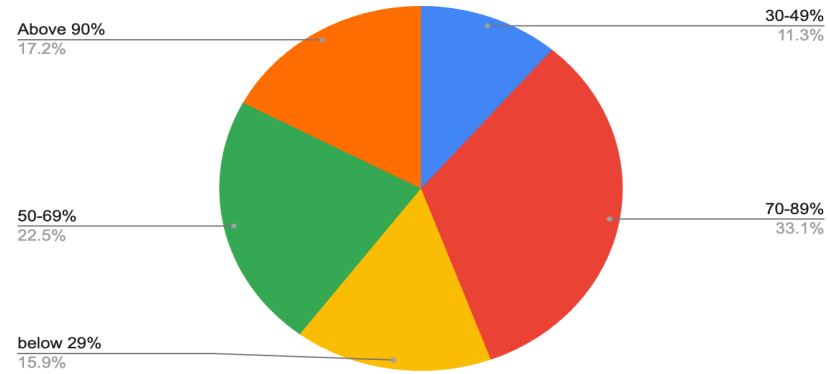

Count of Does teachers encourages you to participate in extracurricular activities.

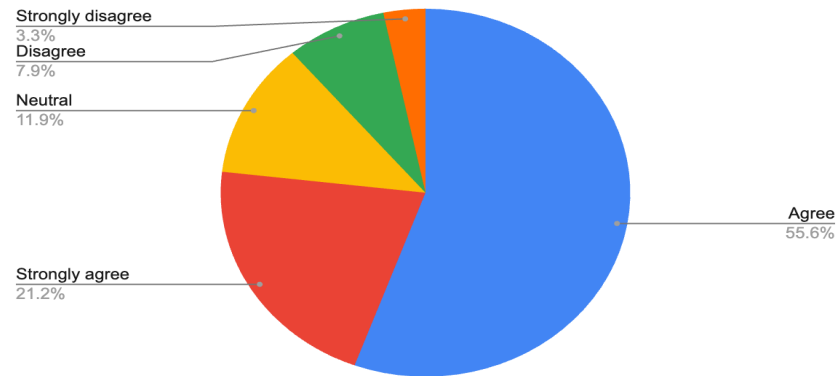

Count of Does efforts are made by the institute/ teachers to inculcate soft skills, life skills and employability skills to make you ready for the world of work.

Count of What percentage of teachers use ICT tools such as LCD projectors, Multimedia etc. while teaching.

Count of Does the overall quality of teaching- learning process in your institute is very good .

Give three observation/ suggestions to improve the overall teaching- learning experience in your institution.
All is good
NA
Discipline, attention,communication
Take Activity Take seminars Use better graphics and visual media to engage students well.
Teachers should interact well with the students as we are not able to understand our academics properly .
Nothing special because my all teachers is very nice
Hope teacher can teach with more approaching ways.
Nothing
1)Use projectors
Regular cls nhi hota ha
All teachers teach very well ,, no suggestions needed .
All teachers teach very well No suggestion needed!
1) Create a welcoming environment. 2) Utilize the latest technologies. ... 3) Encourage cooperative learning.
Good experience
Good
No suggestion

No
good
No
Good
Teachers should take lecture according to time table
.....
Everything is good
There teaching methods are good 👍😊 They are always give Attention to each an every students.
There should be regular classes
Give more projects on Topic related to syllabus.
1. Use better graphics and visual media to engage students well. ... 2. Try to reach every student and ask for their doubts. ... 3. Make teaching a two way interaction.
It iss very good to have this type of institutions
They should be more emprove
Good teaching, good behaviour
Take online classes for student which are do not able to attend class and difficulty station also and imp questions session is must to improve ability to think how to make ans with our mind...

1. Teachers teach only their practical students.
2. Teachers don't solve students doubt
3. Teachers not completed the course specially paper 1
4. Partially is on it's peak

- 1: Try to reach every student and ask for their doubts and specifically listen to the student thought
- 2: don't Differentiate between students.
- 3 : partiality is it's on peak

1. Teachers should clear the all students doubts not only practical batches student.
2. Stop partiality with other students

1. Teachers only their favorite students.
2. Course are not completed specially paper 1 chemistry.
3. Partiality is on its peak

The teaching learning is very excellnt

1. Partiality is on.its peak
2. Teachers teach only their practical batch students .
3. Money is taken from each and every students .
4. Teacher solve the doubt of their favarite students .

1. Teacher teach the students of their practical batch only ,not the whole class.
2. Teacher solve the doubts of their favorite students only.
3. Partiality is done on major level.
4. Course is not completed even when exams are near.
5. Money is taken for each and every event .

Instead of teaching on black board teacher should teach on ppt presentation .providing notes and dout solving sessions

Very well teaching

Take classes regularly

<p>1) Should conduct daily classes.</p> <p>2) Time table should be followed properly.</p> <p>3) Classes should not collapse.</p>
.
Try to reach every student and ask for their doubts. ...
Nothing
<p>Make teaching a two way interaction</p> <p>Also try to reach to every student and ask their queries and doubts</p>
No
<p>1. Teachers should have to prepared topic first connect with life example.</p> <p>2. teacher should have to use projector for explanation and after completely topic teacher should have to ask student you understand or not</p> <p>3 teacher,s should have to write notes of there topic notes on board and conduct test after finish the unit and give the mark of test this will definitely increses student preformance</p>
1.Prefer perfect and right book, 2. Group discussion at the time, and give daily activities on the topic
Regular classes were taken and teachers give 100% teaching from teacher side
Moderate
<p>1. Teacher's need to speak in English in class</p> <p>2. Teacher's need to prepare outdoors activities for students</p> <p>3. All over they are good not bad</p>
<p>Inclusion of ICT tools</p> <p>More extracurricular activities.</p>
<p>Infrastructure</p> <p>Innovative labs</p>
Use the flipped classroom model.
Time management is not good
Sfg

Nothing

Good

–

No suggestions.

Teachers should approach every weak students to help them in studies.

Teacher should not continuously speak but had to listen the students while teaching a

Nothing

Communicate with parents.

Use better graphics and visual media to engage students well. ...

Try to reach every student and ask for their doubts. ...

Make teaching a two way interaction.

Nothing

1) Teaching style must be improved

2) Use videos and photos while teaching

3) Some teachers should treat everyone equally .

Uses of smart boards can be very helpful for visualization of molecules bacteria and 3 D structures of compounds

Nothing

Excillent

.

Her teaching was so good
Yes
Use better graphics and visual media to engage students well. ... Try to reach every student and ask for their doubts. ... Make teaching a two way interaction. 15-Feb-2023
Plz improve the drinking water
Nothing
Teaching and learning experience was very excellent
Yes
High classes
Yes
No doubt in the learning in institute but one thing is focus on student interest and in which field they get actual interest support and provide some knowledge and about that field and how to go if they don't know about how to go.
Yessss
No
Good
Suggestion for the institution is to use ICT tools frequently so that it is easy to understand the concept
No
No
Very nice

Understood the concept, easily solve the problem based on guidelines
No
Good afternoon
Nothing to change
Discipline communication attention
Nothing
Teacher should use easy and effective mod of teaching
Take classes properly
1. Classes should be in proper condition so that any students can take interest in attending classes. 2. Communication skills of teachers can be improved. 3. They need to encourage students to take part in extra curriculum activities and field visit.
1. Use better graphics and visual media to engage students well. 2. Try to reach every student and ask for their doubts. 3. make teaching a two way interaction.
Good
