

DHARAMPETH M. P. DEO MEMORIAL SCIENCE COLLEGE, NAGPUR

3.1.1. Grants received from Government and non-governmental agencies for research projects / endowments in the institution during the year

ANY ADDITIONAL INFORMATION

The proposals for research projects, endowments, etc. were sent by the institute in various schemes to the government as well as non-government agencies, but not entertained. The similar efforts will be continued in upcoming future also to strengthen research activities in the institute. Also, the institute consistently taking efforts in collaborations, tie-ups and linkages to enhance research and other activities.

The students of the institute are involved in various institute level research projects. The funds wherever necessary is also made available by the institute for such student centric research activities so that the students can excel in research in near future in higher studies. Some of the departments run student centric research projects, like *Vermi-Composting, Fish Culturing, Floristic Biodiversity, software development*, etc. Many of the faculties earlier were completed major and minor research projects and also are continuously engaged in research activities. This reflects in research papers and books publications. Also, the institution is taking continuous efforts to motivate the teachers for procuring research grants from government and non-government agencies.
